## NOTES/COMMENTS:

Dear Examiner Johnston:

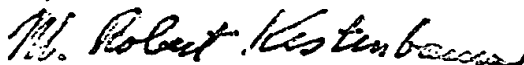

I am faxing a Status Inquiry for the above-mentioned case. We received a favorable decision (dated June 29, 2004) granting our Petition to Revive this case. When we filed the Petition to Revive, we also submitted a copy of our response that was filed on April 22, 2004. (The PTO did not acknowledge receipt of that amendment, and hence, it was necessary to file the Petition to Revive).

This Status Inquiry is to ensure that you have been notified of the revival, have received the amendment filed with the Petition to Revive, and now have the case on your docket for further review. If you have not received the Decision and a copy of the Amendment, please notify us as soon as possible. We will provide you with a copy of the Amendment, at your request.

Please continue to examine this application as quickly as possible. We look forward to receiving a communication from you regarding this Status Inquiry and gaining your reaction to the Amendment soon.

Thank you in advance for responding to this Status Inquiry and responding to the Amendment.

Sincerely,

M. Robert Kestenbaum
